

# CLEAR SCREEN WINTER

## CONCENTRATED DE-ICER WASHER FLUID

### DESCRIPTION

Quality screen wash anti-freeze. Prevents screen wash fluid from freezing and eliminates an eventual thin film of ice from the windscreen. Cleans and degrades the windscreen without leaving any traces.

### BASIC BENEFITS

- Quickly removes bugs and dirt
- Glare and smear free cleaning for safer driving
- Contains no Methanol
- Citrus scent
- Self-mixing

### PROPERTIES

- Reduces wiper skipping and shuddering
- Protects the screen wash system against rust and calcium deposits
- Ammonia- free so it won't harm chrome, paintwork, rubber or plastic
- Meets the latest standards of all car manufactures
- Test: ASTM D 1882. Approved by DEKRA.

### APPLICATION

Suitable for all types of windscreen washer units in automotive applications

### DIRECTIONS FOR USE

Never use this product undiluted.  
Refer to table on the bottle and fill the screen wash container with the desired concentration.
